### REUSABLE SHOPPING BAG

Mayor Bloomberg has proposed a 6-cent charge for supermarket plastic bags, which could mean four double-bagged trips to the grocery store each week will cost \$24.96 per year. Give a classy-looking reusable shopper for \$7.95 and although the recipient will potentially save only \$17.01, think of all that landfill they'll be cutting down on. (Envirosax Ultra-Compact Reusable Shopping Bag, \$7.95 at Reusablebags.com)
